

TOMAHAWK CREEK

Condominium Association November 17, 2022 Annual Homeowners' Meeting Board of Directors Election Results

During the annual homeowners' meeting, the election was held to fill the two Board of Director positions whose terms were expiring. We did not achieve quorum at the meeting, so we suspended the meeting to allow more voting to take place. Within 24 hours following the initial meeting additional ballots were turned in for a total of 117 ballots and proxies submitted, achieving a weighted percentage of 33.49% of owners. Thus, after the additional 24 hours, the vote satisfied the necessary 1/3 quorum of the eligible weighted votes as outlined in Article II, Section 5 of the Bylaws.

The results from the tallying of votes cast were:

<u>Candidate</u>	<u>Weighted</u>	<u>% of Vote</u>
Allison Luthi		97.9%
Amber Schreiber		98.9%
Laura Tedeschi (write-in)		0.7%
Mike Schlatter (write-in)		0.9%

According to the bylaws, candidates must receive more than 51% of the weighted votes cast to be elected to the board. Therefore, the two current board members who were seeking reelection (Allison Luthi and Amber Schreiber) were elected and will be continuing their service on the board. I'd like to thank **all** the candidates for their willingness to contribute to the smooth functioning of our community by serving a two-year term on the Homeowners' Board of Directors.

And a big thank you to all the homeowners who turned in their proxies and ballots for this election.

Paula Donham
Nominating Committee Chair
