

TOMAHAWK CREEK

Condominium Association November 11, 2022 Annual Homeowners' Meeting Board of Directors Election Results

During the annual homeowners' meeting, the election was held to fill the three Board of Director positions whose terms were expiring. A total of 130 ballots and proxies were submitted, achieving a weighted percentage of 36.96% of owners. Thus, the vote satisfied the necessary 1/3 quorum of the eligible weighted votes as outlined in Article II, Section 5 of the Bylaws.

The results from the tallying of votes cast were:

<u>Candidate</u>	<u>Weighted % of Vote</u>
Edrissa Cham	70.6%
Nancy Pozo	87.8%
Allison Luthi	47.6%
Debbie Schuler	80.5%

According to the bylaws, candidates must receive more than 51% of the weighted votes cast to be elected to the board. Therefore, the three current board members who were seeking reelection (Edrissa Cham, Nancy Pozo, and Debbie Schuler) were elected and will be continuing their service on the board. I'd like to thank **all** the candidates for their willingness to contribute to the smooth functioning of our community by serving a two-year term on the Homeowners' Board of Directors.

And a big thank you to all the homeowners who turned in their proxies and ballots for this election.

Paula Donham
Nominating Committee Chair
